Beginning with today the GGMSTUDIOS website has opened a new section for the concert reviews. Everybody that wish to have his/her review published in here please write to Domenico with the review, preferably in english.

Privacy note :

We of the GGMSTUDIOS reserve the right to shorten or refuse some reviews. By sending us a review you give us full non-transferable right to publish it into our website.

You can specify if you do not want your email address published with the review; by default if you do not specify anything we do publish also your email.
