The new TOTO Double CD "Falling In Between Live" captures the full tour show recorded in Paris at Le Zenith on March 26th 2007 in front of an enthusiastic audience with the bands amazing 2007 lineup of Steve Lukather, Simon Phillips, Bobby Kimball, Greg Phillinganes, Leland Sklar and Tony Spinner.

Accompany TOTO on this mind-blowing voyage, which spans the entire spectrum of their illustrious career, with a diversity of musical styles second-to-none. Listen to the new and energetic tunes from their latest album "Falling In Between" as well as exciting, fresh versions of unforgettable classics like Rosanna - clad in a groovy jazz intro -, Hold The Line or Africa - with a now-hauntingly ingenious ending. Hear those rare fan-favorites, some of which have not been played in over 20 years - gems like Isolation or songs from "Tambu" - as they are given new energy, interpreted years later with the same skill, yet an accomplished sound. A DVD release of the Paris show will follow in spring next year.

Tracklist CD 1:

1. Falling In Between
2. King Of The World
3. Pamela
